Dan:

We have sent 104E letters to two (2) entities: Union Carbide which you are already aware of and just recently to the property owner:

9540 Niagara Falls Boulevard, LLC, and 9524 Niagara Falls Boulevard, LLC

574 Young Street,

Tonawanda, New York 14150

Subject: Other companies

Hi Mike

Is it possible you can find out for me from those in EPA legal what other companies they have inquired with (like EPA did with Union Carbide) about radioactive slag. We discussed this last week, and I'd like to get a better understanding of the companies EPA has sent letters to, specifically for the properties in Niagara County.

Sincerely
